### **Grounded Life Path Rune Readings**

This a comprehensive set of rune readings worked out through a period of growth and evolution to look at your life path and potentials from a series of levels. The first level is the level of the soul, the second level is the potential of the soul-body interface, the third is the way it is likely to manifest and the fourth is what is going to ground this all into material reality, grounded by a further key rune that allows you to ground this in yourself as part of a key quality you already have. This will read your best life path and ground it to your reality. This hour long reading complete with a written report that you can refer back to emailed to you will cost \$50.00.

### **Grounded Wheel of the Seasons Rune Readings**

This new reading, based around the energies of the Wheel of the Seasons, looks at the Energetic or Elemental Guidance around your path and what these energies are. This uses the same sets of runes and the same method of grounding this into the material but focuses on the energetic influences rather than the year ahead. This Hour long reading, with a written report you can refer back to emailed or posted to you is \$50.00.

### **Energetic Health Check**
